REQUISITION

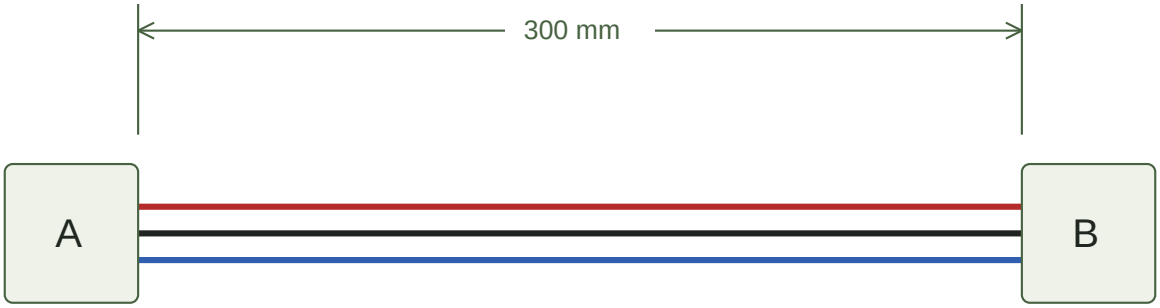
Example harness drawing

A simple reference for a quote. Your own drawing or sketch works too.

QUANTITY	WIRE	LENGTH
5 assemblies	28 AWG	300 mm

Assembly layout

Length measured between the rear faces of the housings.



End A / J1
JST GH, 4 positions

End B / J2
JST SH, 4 positions

Pin connections

Use the numbered pins on each connector.

END A / J1	END B / J2	COLOR	SIGNAL
1	3	Red	POWER
2	2	Black	GND
3	1	Blue	TX

Pin 4 is unused on both ends.
